

VSNDT

INDUSTRIAL ENDOSCOPE MANUFACTURER

Infrared Thermal Imaging Endoscope

VS-RK series

Fast replaceable

Optical fiber lighting

360° steering

5" HD screen

Infrared thermal imaging camera

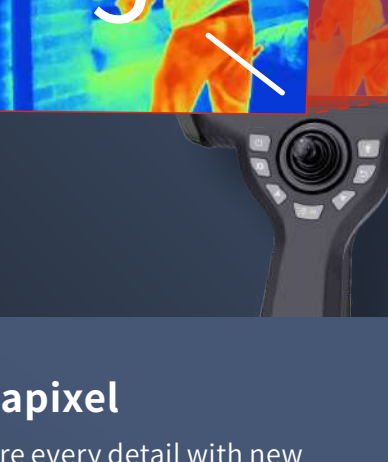

Support WIFI

IP67 waterproof

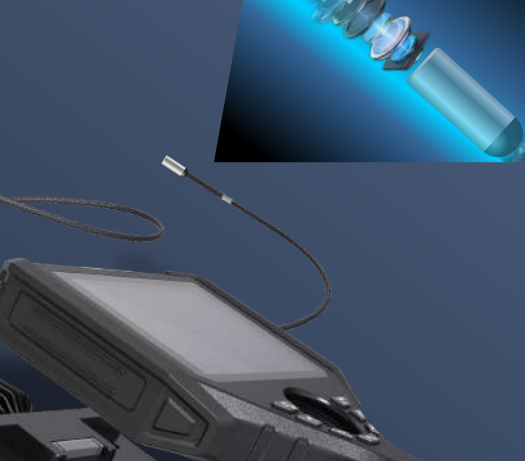

Battery module

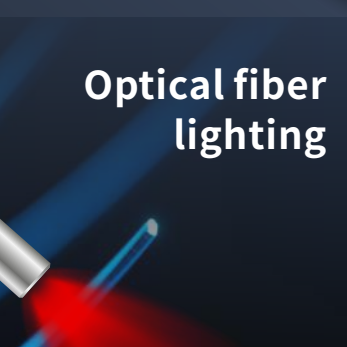

5" HD screen

720P HD real picture display

Megapixel

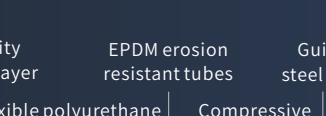

Capture every detail with new technology camera

Quick change probe

Optical fiber lighting

8 degree brightness

High density tungsten wire material

360 degree ergonomic designs structure with good durability and corrosion resistance

IP67 waterproof and oil proof

The snake tube has the performance of heat insulation and chemical corrosion protection line, and can easily cope with the working environment with oil and water stains

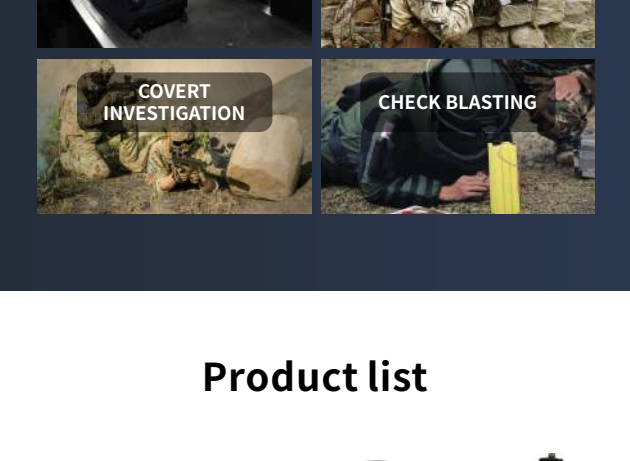

Micro USB charging port

Battery module

Long term endurance, coping with various complex environments and improving efficiency

Application

It has a wide range of applications and can be used in a variety of endoscope detection scenarios

SEARCH AND RESCUE

SECURITY INSPECTION AND DRUG CONTROL

ANTI TERRORISM RESCUE

COVERT INVESTIGATION

CHECK BLASTING
